

Summer Camps for 7 - 12 Grade

CTE Without Borders

Funding made possible through NDCTE and ND DPI to help recoup learning loss due to pandemic closures.

Once we know which schools have students attending, we will work to find transportation from student's schools to camp and back that day.

Lunch and snacks provided

Emerging Technology Camp

**June
15**

Maybe you've heard of the Corps of Discovery...maybe not? Come to Watford City High School for a day to learn about Emerging Technologies such as: 3-D printing, CNC machining, Graphic Production and more. Discover what types of careers these technologies can lead you to. Come explore the Corps of Discovery learning modules and go home with a treasure that you'll make during the day! (Maximum of 25 students)

Location: Watford City | **Full day:** 9AM - 3PM | **Grades:** 7-12

Agriculture Science Camp

**June
29**

Food, Living Systems and Natural Resources, OH MY! Agriculture is so many things, come learn about the multiple options and be encouraged that we will continue to be able to eat, be clothed and live on because of this industry! (Maximum of 25 students)

Location: Watford City | **Full day:** 9AM - 3PM | **Grades:** 7-12

Automation/Energy & Unmanned Aerial System (UAS) Camp

**July
29**

These two camps will run together. Half will attend UAS in the morning and automation in the afternoon with the opposite scheduled for the other half.

Location: Williston | **Full Day:** 9AM - 4PM |
Age: 15 - 18 years olds as of July 1, 2022 (Max of 15 students/camp)

Automation/Energy Camp

You live in or near the Bakken, is it time to learn more about the oil & energy industry in our area and beyond? We will spend some time at Williston State College learning about the energy sector and how automation is used, in oil and gas as well as many different industries! **Location:** Williston State College

Unmanned Aerial System (UAS) Camp

Whatever you call them, Drones, UAS, etc, come learn all about them, their uses, and possible careers. This is a day of learning and playing, join in and discover the possibilities. **Location:** TrainND Northwest

Aviation Camp

**August
09**

Reach for new heights with this day of learning about the aviation industry in our region and beyond! Tour the new Williston Basin International Airport (XWA), and learn about all the possible future careers in the Aviation Industry. Spend some time learning about being a pilot and trying your hand at flying on flight simulators owned by Williston High School! (Maximum of 20 students)

Location: Williston | **Full day:** 9AM - 3PM | **Ages:** 12-15
